

MSU Safe Place Gender Affirming Care Items

MSU Safe Place provides a comprehensive list of care items we can help survivors access. Additionally with some items we include websites for stores, businesses, and companies that sell such care items. We do not endorse any of the stores, businesses, companies or products on this list. You will need to decide for yourself if a product can meet your individual needs. If any information is out of date, you have a negative experience with anyone listed below, or you know of other products, stores, or businesses to add to our list, please contact us at (517) 355-1100 or noabuse@msu.edu.
